Comments: My 3 young kids depend on bolts and fixed gear to learn climbing and travel in the wilderness. There safety is the most important thing in the world.

As a climber, I want to ensure the safe and responsible use of fixed anchors in [Wilderness/national forests] remains available to the climbing community. I respect and advocate for the responsible use of Wilderness areas and believe that fixed anchors can be a component of a sustainable Wilderness experience. Please revise your climbing guidance to reflect the practice and precedent of the last 60+ years-that fixed anchors for climbing can be used, replaced, and maintained in designated
