First name: Bruce

Last name: Beighle

Organization:

Title:

Comments: As an MTB Missoula Board member, and avid mountain bike rider, I strongly support the organization's position that the Stateline Trail (Divide Trail #738) should be reopened for mechanized bicycle use. Opening 7 miles of the Stateline Trail in Idaho, on the Nez Perce-Clearwater, provides bicycle riders to rider a loop around Heart Lake near Hoodoo Pass, in Montana's Lolo National Forest, and access unique backcountry alpine terrain.
