

Data Submitted (UTC 11): 1/29/2024 8:17:03 PM

First name: Ava

Last name: Hill

Organization:

Title:

Comments: Putting climbs under the power of the federal government will making climbing all the more difficult. While climbing won't become illegal, it will be put in jeopardy. Bills like these make it possible to eradicate outdoor activities with one signature. Keep our canyons bolted and keep climbing!
