Comments: Hello! I love to rock climb in the US. I am commenting on the draft policies that would make fixed anchors (bolts, pitons, slings) prohibited in America's Wilderness areas. I agree with Access Funds comment summarized below. Please take this into consideration when finalizing policies.

*Restricting the establishment of new routes to "existing climbing opportunities" on non-Wilderness lands is unenforceable and will create confusion amongst land managers and climbers. Non-Wilderness climbing management policy should maintain opportunities for new anchors unless and until analyses determine climbing should be restricted to protect cultural and natural resources.

Thanks for your consideration!
