Comments: DO NOT AUTHORIZE THE BOLT REGUALTION - STUPID ASS IDEA NPS. Don't authorize the ban for rock climbers/canyoneerers to place their own bolts. You don't have the staff, processes, resources, or knowledge to effectively and proficiently. Who's gonna go climb a 1000ft, 12C climb on El Cap? Let alone cover the millions of routes and canyons all over the country!! Stupid ass idea. Don't do it.
