Comments: The Forest Service's responsibility is to preserve the wilderness character of the Bob Marshall Wilderness Complex, not to promote any particular use, such as outfitting/guiding.

Also, the Bob Marshall Wilderness Complex Outfitter and Guide Permit Reauthorization lacks site-specific information, despite requesting site-specific comments.

The Forest Service must not use a Categorical Exclusion (CE) to renew any outfitter permits. An Environmental Assessment or Environmental Impact Statement with accompanying public input is called for to properly protect this fabled Wilderness Complex.
