Comments: I am an avid outdoor enthusiast that has enjoyed recreating on Northwest Forest Service lands for decades. I am seeking continued access to Northwest Forest Service lands for my family, including my grandchildren. I am respectfully requesting that the Northwest Forest Plan include the Transportation System (roads and trails) as a key focus area in the planning process. The Transportation roads and trails system needs to enable existing access for the top three outdoor recreation activities: RVing, boating/fishing, and motorcycling/ATVs. Thanks for your consideration in making the Northwest Forest Plan meet public interests and needs.
