First name: Mary Ann

Last name: Huckabay

Organization:

Title:

Comments: Please do NOT allow fixed climbing anchors to be installed in our wilderness areas! Wilderness is just that: wild places, and metal defacing rock faces is NOT part of the founders' concept of wilderness. There are plenty of other places for climbers to enjoy rock-climbing. Let's keep some areas truly wilderness, so that our children's children can experience the marvel of that!

Thank you for your consideration,

Mary Ann Huckabay
