Comments: I fought to save the Old Growth Redwoods in the late 1960s. We were unsuccessful. Along US Highway 1 or maybe it's 101, there are Old Growth Redwoods to be seen along the highway, but if you walk 20 feet, there was clearcut as far as the eye could see. And what did they do with the Old Growth Redwoods? They made patio furniture.

I say protect ALL OLD GROWTH FORESTS, NO EXCEPTIONS FOR ANY REASON.
