Comments: Prohibiting fixed anchors will threaten America's rich climbing legacy and could erase some of the world's greatest climbing achievements. Climbing management policy needs to protect existing routes from removal.

Additionally, I work as a guide in Utah, Colorado and California. This law can can cause repercussions on for many peoples jobs including my own. I have the opportunity to teach many people how to responsibly recreate and enjoy these precious wilderness areas. This law will directly oppose people getting out into nature in their own personal way.
