First name: Crystal

Last name: Hagel

Organization:

Title:

Comments: I am speaking for the Trees, the Mycelium and the countless living things that make their home in the trees.

Our new Weather patterns make Clear Cutting even more Erosive to our lands.

Old Growth and New old growth must be protected along with the voice of the indigenous people. The original Stewart's of the land.

We won't get a second chance.

Please help protect what is not our right to destroy.
