First name: Laura

Last name: Hollister

Organization:

Title:

Comments: Per an email I received, it's said that you plan to renew existing outfitter permits but will not release the names or any other identifying information of these organizations, thereby closing the door to the possibility of public input. I believe you are a government agency - ie taxpayer funder. If the email I received is accurate, why would you behave thus?

Sincerely,

Laura A Hollister
