Comments: Please protect our beautiful forests. What an amazing opportunity that we can't slough off.

I'm writing about the historic opportunity to comment and implement

Land Management Plan Direction for Old-Growth Forest Conditions Across the National Forest System, Notice of Intent to Prepare an Environmental Impact Statement, 88 Fed. Reg. 88,042 (Dec. 20, 2023).(EIS)

Thank you for reading my plea.

I strongly support a consistent federal policy that protects all old-growth forests and trees and significantly increases their abundance and distribution across the nation.
