First name: CYNTHIA
Last name: TORELLI
Organization:
Title:
Comments: The Forest Service's responsibility is to preserve the wilderness character of the Bob Marshall Wilderness Complex, not to promote any particular use, such as outfitting/guiding. There are too few "WILD" places left in this Country to support this.
The Forest Service must not use a Categorical Exclusion (CE) to renew any outfitter permits. An Environmental Assessment or Environmental Impact Statement with accompanying public input is called for to properly protect this Wilderness Complex.
