First name: Brent

Last name: Little

Organization:

Title:

Comments: I do not approve of this closure. I am involved and associate with a large group of snowmobilers. We are all very respectful of areas that are non motorized. The area being proposed for closure is land we have a right to ride in a respectful way. Giving it to one group by excluding the other is not right. Please consider keeping this area open. Thanks for your time,

Brent Little
