Hi Dennis and Scott,

I submitted comments today on behalf of Outdoor Alliance, Outdoor Alliance Washington, Outdoor Alliance California, The Conservation Alliance, and Outdoor Industry Association. I'm realizing that they may not have gone through via the comment portal, probably because the list of organizations was too long for the organization field.

Here are the comments attached - hopefully these can be added to the online reading room and considered by the planning team. Please confirm their receipt.

Thanks very much,

Betsy Robblee (pronouns: she/her/hers)
