First name: Laura

Last name: Beebe

Organization:

Title:

Comments: Dear Forest Service:

Please protect the Bob Marshall Wilderness Complex from outfitting/guiding use.

Given the many impacts outfitting has on the Wilderness, the Forest Service must not use a Categorical Exclusion (CE) to renew any outfitter permits. An Environmental Assessment or Environmental Impact Statement with accompanying public input is called for to properly protect this beautiful Wilderness Complex.

More than ever, wild spaces must be protected.

Thank you, Laura Beebe
