Last name: Hatfield

Organization:

Title:

Comments: Cabins don't belong in designated Wilderness. The U.S. Forest Service must leave its policy unchanged and phase out ANILCA cabins, as was the original intent. These cabins were never meant to persist in Wilderness, and to change this policy would undermine ANILCA and the Wilderness Act.

NOW is the time to do everything we can to protect wilderness and wildlife. Our own lives depend on it.

Thank you.
