Last name: Miller

Organization:

Title:

Comments: Cabins don't belong in designated Wilderness. The U.S. Forest Service must leave its policy unchanged and totally phase out ANILCA cabins, as was the original intent. These cabins were never meant to persist in Wilderness, and to change this policy would undermine ANILCA and the Wilderness Act.

We need to preserve and conserve the wilderness. We have taken away and encroached upon more than we should have already.
