Title:

Comments: Dear USFS staff,

The intent of ANILCA was to phase out cabins in wilderness areas. Along with roads, cabins are among the most incompatible uses ("man is a visitor who does not remain" or something like that!). Please phase them out as originally intended. Alaska wildernesses designated under ANILCA are national treasures--indeed global--that belong to all Americans. The public is best served with fewer or no cabins in wilderness.

Sincerely, Eric Dalton
