Last name: Wilson

Organization:

Title:

Comments: Cabins don't belong in designated Wilderness. The U.S. Forest Service must leave its policy unchanged and phase out ANILCA cabins, as was the original intent. These cabins were never meant to persist in Wilderness, and to change this policy would undermine ANILCA and the Wilderness Act.

WILDERNESS IS WILD BY DEFINITION. THINGS MADE BY HUMANS ARE NOT WILD BY DEFINITION. FOLLOW THE ORIGINAL INTENT OF THE WILDERNESS LEGISLATION AND CEASE ALLOWING HUMANS TO USE CABINS ONCE THE ORIGINAL SIGNATORIES ARE DEAD. NO GRANDFATHERING OF THESE CABINS OR STRUCTURES.
