Comments: Just yesterday, Wilderness Watch learned that the Forest Service has an open public comment period, closing today-Friday, March 8-where it has proposed removing restrictions from these permits, including the number of times a permit for an ANILCA cabin may be reissued or who may be listed on that permit. For Wilderness, these changes could mean generations upon generations of a persisting structure.

REMOVE RERSTRICTIONS NOOOOOOOOOOOOOOOOOOOOOOO

Is there a Re-puke-i-can behind this move? Yes , likely.
