Comments: This proposition to INDEFINITELY allow UNLAWFUL CABINS in the designated protected areas in Alaska is a HUGE NO!!! This is how you end up developing the entire PROTECTED AREA. Animals have a RIGHT TOO to live in PEACE with NO HUMAN CONTACT....NO HUMAN CONTACT. I vehemently OPPOSE this new language which kicks the door open for UNWELCOME DEVELOPMENT!!! NO MEANS NO!!! I'm SURE this all has to do with MAKING MORE MONEY to impose property taxes....HOW ABOUT NO!!!
