Comments: Hasn't there been enough unregulated urban sprawl and constant destruction of our dwindling endangered species and other wildlife???? We MUST RESPECT our wildlife to protect and honor it if we are to enjoy it for future generations!!!!!!!!!!!! CRITICAL HABITAT MUST BE HONORED AND PROTECTED NOW!!!!!! Cabins don't belong in designated Wilderness. The U.S. Forest Service must leave its policy unchanged and phase out ANILCA cabins, as was the original intent. These cabins were never meant to persist in Wilderness, and to change this policy would undermine ANILCA and the Wilderness Act.
