Comments: Cabins don't belong in designated Wilderness - PERIOD!

I think the U.S. Forest Service should not change its policy about ANILCA cabins. It was always planned to phase them out. Cabins were never meant to persist in Wilderness and should not be allowed to now. Changing this policy would undermine ANILCA and the Wilderness Act and that is WRONG. PLEASE STAY THE COURSE USFS. IT'S THE RIGHT THING TO DO. AND I THINK YOU KNOW THAT ALREADY.
