Title:

Comments: Cabins don't belong in designated Wilderness. Please leave your policy unchanged! Designated wilderness is not intended to include permanent structures like cabins. We humans don't have to leave our stamp on every inch of this planet. Wilderness areas are some of the last unspoiled places on earth--please let's keep it that way. Please phase out ANILCA cabins as was the original intent. Changing this policy would undermine ANILCA and the Wilderness Act.
