First name: John

Last name: Rodwick

Organization:

Title:

Comments: Please do not make ANY changes to the way the RNRA is currently managed (with the possible exception of the removal of some or all of the dams in the upper drainage): keep the standards from the 1986 Plan, no logging and no road building."

Rattlesnake was designated as a wilderness area close to Missoula for the benefit of its citizens to enjoy in perpetuity and should remain as such.
