Comments: Heart Lake Loop, near Superior

Due to permanent loss of access, we strongly oppose these trails being recommended for a Wilderness designation unless a non-motorized travel corridor is established as was done for the adjacent Stateline Trail managed by the Nez Perce-Clearwater National Forest.

## Carlton Ridge to Mill Creek, on Lolo Peak

We support the recommendations for the Lolo Creek Geographic Area as these trails will remain open to bikes.

## Cube Iron Roadless Area, near Thompson Falls

We strongly support the recommendation for a Backcountry designation in this area which will maintain primitive characteristics while allowing for bike access.
