Comments: As an active mountain biker, local trails enthusiast and parent I support the stance of Mountain Bike Missoula - their advocacy points are repeated below :

Heart Lake Loop, near Superior

Due to permanent loss of access, we strongly oppose these trails being recommended for a Wilderness designation unless a non-motorized travel corridor is established as was done for the adjacent Stateline Trail managed by the Nez Perce-Clearwater National Forest.

Carlton Ridge to Mill Creek, on Lolo Peak

We support the recommendations for the Lolo Creek Geographic Area as these trails will remain open to bikes.

Cube Iron Roadless Area, near Thompson Falls

We strongly support the recommendation for a Backcountry designation in this area which will maintain primitive characteristics while allowing for bike access.
