Comments: Heart Lake Loop, Due to permanent loss of access, I strongly oppose these trails being recommended for a Wilderness designation unless a non-motorized travel corridor is established as was done for the adjacent Stateline Trail managed by the Nez Perce-Clearwater National Forest.

Carlton Ridge to Mill Creek, I support the recommendations for the Lolo Creek Geographic Area as these trails will remain open to bikes.

I appreciate and support the progressive actions for the Greater Missoula Geo-Area as they are aimed at improving access and connectivity both to and within the forest. We continue to remain hopeful that the user-created trail system accessed via Dry Gulch Road will transfer to public ownership and offer additional trail-based recreation.
