Title:

Comments: My Wife and I are retired residents of halfway and regularly use the project area for hiking. Our main concerns are;

Traffic- We live off Record Street and don't want the heavy truck traffic. This road is frequently used by pedestrians for exercise and access to the forest for hiking. Can't the trucks go out FS77 to the highway instead of going through our small town?

Forest damage- Leave enough large trees after the sale so that we and the wildlife can enjoy being in a cool and shady environment.
