Last name: Griffin

Organization:

Title:

Comments: I urge you to manage Piru Creek in a way that protects its recreational values. The creek offers the full gamut of recreational opportunities--trout fishing, canyoneering, kayaking, and family swimming and picnicking. The area is all the more valuable for being close to Los Angeles giving a large urban population opportunities for outdoor recreation. As you move forward with your management plan, please protect the recreational values of this area.
