Comments:

I OPPOSE motorized roads into Crystal Amphitheatre (on Lolo Pass) and into Saint Regis Basin (on Lookout Pass), and the huge buffer on a motorized road to Morrell Mountain Lookout (above Yurtski) - all to prevent snowmobile conflict and trespass into our favorite skiing/riding areas.

Please significantly reduce the excessive size of the motorized buffer along Morrell Mountain Lookout Road (FR 4365) to protect non-motorized access to this terrain near one of our very few backcountry yurts in this range. I support the designation of a Semi-Primitive Non-Motorized setting for our favorite local spots at Lolo Pass, Hoodoo Pass, Saint Regis Basin, Wisherd Ridge, Marshall Mountain, and Morrel Mountain. These popular areas provide opportunities for accessible human-powered backcountry skiing/riding day trips on public lands. Please restrict motorized access into the Crystal Amphitheater on Lolo Pass, which is heavily used by the backcountry ski and snowboard community. I oppose FS 16675 as a Semi-Primitive Motorized setting. Please consider it as a Semi-Primitive Non-Motorized setting to prevent snowmobile conflict and trespass into this beloved ski area.

Please restrict motorized access into Saint Regis Basin. I oppose FS 18591 as a Semi-Primitive Motorized setting. Please consider it as a Semi-Primitive Non-Motorized setting to lessen snowmobile conflict.

Thank you!
