Comments: Dear Ms. Amanda Milburn,

I live in the Flathead National Forest and have a deep appreciation for the natural environment. I also support the efforts of the Blackfoot Nation to care for the needs of their community under difficult circumstances. I traveled through the eastern side of the divide up US 89 on my way to Many Glacier entrance. It is a beautiful area, a place of beauty and many opportunities for recreation. It needs to be preserved as wilderness. I also support the Blackfoot Clearwater Stewardship Act. I urge you to have all of the plan components of the collaboratively created agreement reflected in the analysis and final Lolo Forest plan.

Sincerely,

Robert Kaiser
