Comments: Hello, I have been backcountry skiing at Lolo Pass for 5 years. It is one of the closest, most accessible, avalanche friendly terrain near Missoula. I support the designation of a Semi-Primitive Non-Motorized setting for not only Lolo Pass, but also Hoodoo Pass, Saint Regis Basin, Wisherd Ridge, Marshall Mountain, and Morrel Mountain. These popular areas provide opportunities for accessible human-powered backcountry skiing/riding day trips on public lands. Marshall Mountain is a gem for weekday recreation opportunities. Please restrict motorized access into the Crystal Amphitheater on Lolo Pass, which is heavily used by the backcountry ski and snowboard community. I oppose FS 16675 as a Semi-Primitive Motorized setting. Please consider it as a Semi-Primitive Non-Motorized setting to prevent snowmobile conflict and trespass into this beloved ski area.
