Comments: Having moved out to Montana in the last 6 years I have fell in love with the world of backcountry skiing. Lolo pass and Crystal Amphitheater have specifically played a huge part in that. I loved the quiet serenity that accompanied my learning of backcountry skiing and want to preserve that for other users. Please restrict motorized access into the Crystal Amphitheater on Lolo Pass, which is heavily used by the backcountry ski and snowboard community. I oppose FS 16675 as a Semi-Primitive Motorized setting. Please consider it as a Semi-Primitive Non-Motorized setting to prevent snowmobile conflict and trespass into this beloved ski area.
