First name: Jerry

Last name: Reinisch

Organization: USFWS

Title: Fish & Wildlife Biologist-Energy

Comments: Project area and 500 m buffer should be entered into USFWS-IPAC for further analysis.

Project area and buffer should surveyed for suitable DASK habitat.

Occupancy surveys should be completed if suitable habitat is noted.

Dust control needs to be managed throughout the life of the entire project.

impacts to trees need to be considered with the listing of Northern Long-eared bats.
