Comments: My Apologies! In commenting on the Alternatives on 3/29/24 I neglected to include Alt C along with Alt D which includes fumes from equipment.

My main commentary is to focus on the establishment of old growth forest in large blocks. If I were allowed a preference I would leave the entire block alone, but that does not appear to be within the current scope.

Again it is the totality of C&D which is important

Sincerely

Tom deGiacomo
