Comments: I am writing as a backcountry skier, mountain biker, hiker and volunteer trail worker in the Great Burn. First of all thank you for proposing that the Recommended Wilderness Areas be retained. My number one concern in the this proposal is that the Great Burn remain non-motorized. I would like to see a priority given to wildlife habitat connectivity and corridor areas. Other areas I want to see non-motorized are: Lolo pass, Hoodoo Pass, Saint Regis Basin, Wlsherd Ridge, Marshall Mountain and Morrel Mountain. I do agree with keeping Carlton Ridge to Mill Creek open to bikes.

Furthermore, I support the Blackfoot Clearwater Stewardship Act and would like to see all of the plan components of the collaboratively created agreement reflected in the Forest plans analysis.

Thank you for your time and giving me the opportunity to comment and also for your work to this point on this plan.
