Comments: My name is Ender Berryman. I am a youth cross country skier (13 years old) from Missoula. I grew up skiing at Pattee Canyon in the ZANY program and now I ski for the Ice Badgers. I appreciate the cross country skiing options in Missoula. I would be really excited for more cross country skiing trails at Pattee Canyon and Lolo Pass. I would appreciate being able to ski earlier in the winter. Thank you for your help.

Sincerely,

Ender Berryman
