Comments: I am writing about the Lolo National Forest Management Plan. My name is Odin Berryman. I am a sophomore at Hellgate Highschool. I've been cross country skiing my whole life. I appreciate being able to cross country ski at Pattee Canyon, Lolo Pass and up the Rattlesnake corridor. One thing that we are missing is being able to ski early in the winter season. I race nationally and this is especially noticeable when competing against other regions that have access to snow earlier in the season. Please continue to develop cross country skiing in the area with specific attention paid to develop early season ski options. Thank you for your time.

Sincerely,

Odin Berryman
