Comments: -Expanding the nordic skiing trail at Pattee canyon would improve the experience of the winter recreationalist. In particular, expanding the trail systems to higher elevations would allow grooming and recreating earlier in the winter season.

-Allowing for more youth winter programs and practices at the Pattee Canyon trails would greatly expand the number of winter recreationists and supporters of trail systems.

-Opportunities for competitive and noncompetitive events at Pattee Canyon and Lolo pass would improve user experience and growth.
