Comments: Cross country skiing is growing in popularity for all ages - a positive sign for the health of our community. More access to skiing areas is needed at the following areas:

Lolo Pass area with parking and access at Lee Creek to cut down congestion at the pass.

Pattee/Dean Stone has great potential for expansion and more trailheads as this area is growing in popularity rapidly.

Gold Creek already has trails, but parking is an issue. This could give a great alternative for skiing and cut down on overcrowding in another areas.

Thanks for listening,

Laurie Stalling
