Comments: Hello and thank you for all your work fielding comments and building our new plan for Lolo NF.

I am an active user of Lolo NF for hunting, fishing, camping, backpacking, hiking, cycling, backcountry and Nordic skiing. The access and infrastructure provided by the Lolo NF is a core component of my quality of life and deep connection to my home. I urge the FS to continue to promote shared use but, equally important, appropriate use.

My talking points for you are one and the same as those provided by the Missoula Nordic Club, Backcountry Hunters and Anglers, Montana Backcountry Alliance, Mountain Bike Missoula and Missoula Avalanche. For the sake of brevity please consider their recommendations my own.

Please also consider limiting snowmobile access to heavy use bc ski areas like Crystal Amphitheater and G spot and supporting regular grooming at Lolo pass for Nordic skiing.

Thank you!
