Comments: [External Email]Lolo National Forest proposed action plan

Thank you for taking my comments.

Please put me on your mailing list to review the draft plan revision. I live near the Rattlesnake National Recreation Area (RNRA) and hike and ski there often.

I agree with Andy Kulla in his comments in the Missoulian on March 12, 2024. Of particular note, "If you like how the NRA has been managed this past 44 years, let the LNF know. Ask them to maintain the uniqueness of the RNRA by establishing a separate Management Area just for the RNRA that keeps the standards from the 1986 Plan, says they can't log it and exclude road building."
