Comments: Tribal Council has been asked to disseminate this information about a proposed logging plan in Vermont. Tribal Council supports this petition asking for an extension on the public comment period for the proposed Telephone Gap Logging Plan, specifically to allow appropriate discussion of potential cultural intrusion from this plan, in addition to the overall stewardship of the forests of Vermont.

Whereas Vermont's Indigenous People hold unique insights and millennia old knowledge about protecting Mother Earth and our Other Than Human Kin for whom we are moral and legal guardians;

And Whereas the United States supports the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) as of December 16, 2010 with President Obama's declaration;

And Whereas UNDRIP calls for "full, informed and prior consent" from Indigenous Peoples for projects impacting their well-being and cultural integrity:

And Whereas Vermont is the home of four state recognized Abenaki bands and numerous federally recognized tribal enrollees whose full, informed and prior consent has not been provided for concerning the impact of a massive 12,000 acre Telephone Gap Forest Logging Plan and how it may impact cultural sites;

And Whereas the Telephone Gap Forest Logging Plan contravenes Vermont's Community Resilience and Biodiversity

Protection Act (2023) that announced intentions to increase protected landscapes and habitats thereby enhancing biodiversity:

We, on behalf of Vermont's Indigenous Communities and our Allies, request that the current review and comment process and deadline of April 8, 2024 be extended by 180 days so that the above issues can be addressed.
