First name: Anna

Last name: Erik

Organization:

Title:

Comments: As a member of the Adirondack organizations ADK Action as well as Common Ground, environmentalist, hiker, regular visitor to Vermont, I pray for Vermont citizens to protect your state. You have a precious natural Park like we also have in NY. Do not bend and succumb to forces and power of pure greed. It is time to wake up and protect our natural resources and our source of life, Mother Earth.
