Comments: Public Use: Will any of the huts be available for unguided use or self-access by the public? If so, what portion of time/space will be allotted for public use? Are there cost estimates for users?

User Group Conflicts: What measures will be put in place to prevent conflicts between user groups? Two of the huts will be placed next to snowmobile trails and accessed from Sno-Parks with limited parking. Snowmobilers are the primary funding source to groom and maintain these roads in winter.
