First name: Dave

Last name: Little

Organization:

Title:

Comments: Please keep FS Road 4832-144 open and accessible to free flight, snowshoeing, hiking, back-country skydiving, and other recreations.

PG/HG pilots are frequent users of this area. I request that 1) an alternative route into/out of Gold Creek Valley be kept open that goes around the construction zone and 2) use of helicopters be eliminated or kept to specific morning hours which are communicated to the public.
