Comments: Snoqualmie Pass in Winter is extremely busy - all of the below should be done anyway but in particular due to this closure.

Provide parking at the PCT North (Kendall Katwalk) parking lot to improve access to the Commonwealth Basin for snowshoeing and backcountry skiing

Allow winter recreationalists to continue to access F.S Road 4832-144 in the Gold Creek Valley, which is outside the project area and provides snowshoeing opportunities and backcountry skiing access

Allow recreationalists to access the upper Gold Creek Valley via trail 1314 by including clear signage and/or temporary trail markers as necessary to maintain closure of project area
